THE MINISTER OF STATE OF THE MINISTRY OF WOMEN AND CHILD DEVELOPMENT (SHRIMATI RENUKA CHOWDHURY) (a) The Integrated Child Development Services (ICDS) Scheme, launched in 1975 in 33 Community Development Blocks, is a nation-wide programme for early childhood care and development. It is an ongoing Centrally-sponsored scheme implemented through the State Governments with 100 per cent financial assistance from the Central Government for all inputs other than supplementary nutrition which the States were to provide from their own resources till 2004-05. However, from the year 2005-06, grant-in-aid pattern has been modified and the Government of India now provides Central assistance to States

for supplementary nutrition also to the extent of 50% of the actual expenditure incurred by States or 50% of the cost norms, whichever is less. The objectives of the Scheme are:

- (i) to improve the nutritional and health status of pre-school children in the age-group of 0-6 years;
- (ii) to lay the foundation of proper psychological development of the child;
- (iii) to reduce the incidence of mortality, morbidity, malnutrition and school drop-out;
- (iv) to achieve effective coordination of policy and implementation amongst the various departments to promote child development; and
- (v) to enhance the capability of the mother to look after the normal health and nutritional needs of the child through proper nutrition and health education.

The above objectives are sought to be achieved by providing a package of services comprising of (i) supplementary nutrition, (ii) immunization, (iii) health check-up, (iv) referral services, (v) pre-school non-formal education and (vi) nutrition and health education. The services are provided concurrently so that synergetic and holistic development of children takes place.

(b) State-wise and year-wise funds released to the States and the expenditure reported by the States are given in the enclosed Statement (See below).

(c) and (d) Funds under ICDS Scheme to all the States/Union Territories, including Karnataka, are released in instalments. As ICDS Scheme is an ongoing Scheme, the unspent balance or excess expenditure in a year is adjusted in the following year. No instalment to any State, including Karnataka, is pending at present.
